Debra R. Luther, RMR, CRR, CCR-B-881

1 You know, I've sat on -- we're usually on competing
2 sides on different things over the years, so I don't

15 of the best optical microscopists in the world;

17 A. For his time frame he was the best optical
18 microscopist in the world. However, Walter McCrone
19 didn't have any management responsibilities at
20 McCrone Associates starting in 1960 because he
21 started the McCrone Research Institute. He was
22 available if people had questions, but pretty much
23 Ian Stewart was running the show.

24 Q. Well, you've testified in the past that
25 McCrone's group was really a top-notch research
